

Partnership Management Volunteer

Background

Atma is looking for skilled volunteers to work with our dynamic and growing team. Atma is a non-profit which provides intensive support to education non-profits and social enterprises, helping them solve their daily operational challenges and plan for their future growth. Faced by a lack of resources and expertise, high-potential education organisations are often unable to maximise their impact.

Location:	<i>Pune</i>
Time Commitment:	<i>Full Time</i>

Sr.no.	Key Job Areas

The Atma Accelerator program provides organisations with hands-on guidance and expertise in management and programme delivery. Atma's support enables them to become sustainable and impactful organisations delivering high quality programmes on ground. Since 2007 Atma has reached out to over 25,000 underprivileged children and youth by empowering 24 education non-profits and social enterprises across Mumbai.

If you have a background, interest or skill set in any of the following areas then we are looking for you: Marketing, Business Planning, Fundraising, Human Resources, Impact Assessment, Monitoring and Evaluation, Communications (including photography, videography and written communications), Research, Program Documentation, Organisational Development.
